

Completing the Dream

Construction on the new 75 bed Continuing Care Center continues to move forward.

When completed the ultra-modern facility will be a jewel in the community, providing long- and short-term skilled nursing care, as well as physical and occupational services.

The new building will feature spacious private and semi-private rooms with vaulted ceilings, large picture windows which flood the center with natural light, and many outdoor courtyards and gardens for patients to enjoy.

The Ojai Valley Community Hospital Foundation pledged to raise \$1 million dollars for this project. We were able to fulfill that pledge this year. To all our many donors who have attended our fund-raising events, given to our annual appeal and contributed to the Capital Campaign we thank you for your invaluable support. We are fortunate to live in a community that recognizes the importance of the hospital and the CCC.

Foundation Guild

The Hospital Foundation Guild continues to thrive with more than 200 members and remains a vital part of the Foundation's fund-raising and community outreach efforts. Led by Christine Fenn in 2017-18 and Roger Beerworth in 2018-19, Guild events last year earned over \$107,000. The bulk of the proceeds is being directed to the new CCC, with the remaining \$25,000 being awarded early this year to the hospital's Critical Needs Fund.

Deborah Edwards, Chair for the Mamma Mia Spring Event, honored Ojai firefighters who helped save our town during the Thomas Fire in December 2017.

Chairs Steve and Colette Miller put on their dancing shoes for Friday Night Fever, the 17th annual Nightingale Ball.

Our tireless event planner, Deborah Edwards, along with her husband, Craig, chaired the Guild's spring event with an Italian Vineyard theme. Nightingale Ball Chairs, Steve and Colette Miller, recalled their Boogie Nights for a Friday Night Fever theme for the annual Gala fundraising event on December 7.

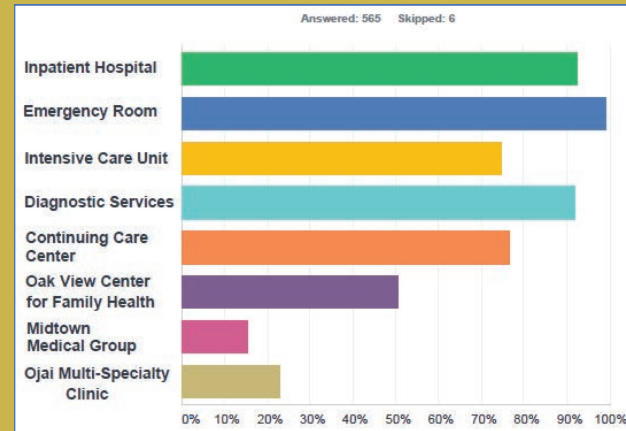

Guild members brighten the days and rooms of the CCC residents with fresh flower deliveries each month. Donations from the Ojai Garden Club and the Hospital Foundation help provide the beautiful flowers.

You Speak, We Listen

The Ojai Valley Community Hospital last year mailed a survey to 28,000 households in our area for feedback on how the hospital is perceived.

We were pleased to receive replies from over 600 residents. The consensus is that the hospital is extremely important to the community, and the overall feeling is that patients are well taken care of in a warm and compassionate environment.

Awareness of OVCH Services & Locations

There were also some suggestions of areas for improvement. Those ideas are being carefully evaluated and, when possible, will be implemented.

The input from our friends and neighbors is invaluable, and we encourage patients and family members to share with us their thoughts on what we are doing right or where we can improve.

Our goal, as always, is to provide quality care in a modern facility for many years to come. Our thanks to all who participated in this survey.

Community Partners

In addition to its strong financial support of the Capital Campaign, the community contributed more than \$102,600 in response to the Foundations' semi-annual mail appeals. The October Classic run/walk/wellness fair added \$13,000 to our bottom line last year and featured a "Paws for a Cause" pet walk.

A spirited team of runners at the 2018 October Classic.

Missy wins Best in Show as one of the "Paws for a Cause" entries at the October Classic.
